Abstract

LIBRARIANS — LIBRARIANS OF VARIOUS GOVERNMENT DEPARTMENTS — FORMATION OF A POOL—COMBINED GRADATION LIST AS ON 1-1-1971—PREPARATION OF—PRINCIPLES OF INTEGRATION LAYING DOWN—ORDERS ISSUED

HIGHER EDUCATION (H) DEPARTMENT

G. O. (P) No. 30/76/H. Edn.   Dated, Trivandrum, 16th March 1976.

Read:—1. G. O. (P) No. 36/71/Edn. dated 23-3-1971.
2. G. O. (Rt.) No. 100/72/Edn. dated 17-1-1972.

ORDER

In the G. O. 1st read above Government issued orders bringing all the Librarians in Government Departments and institutions as on 1-1-1971 and integrating them into a common pool. In order to implement the orders in that G. O., it became necessary to draw up a gradation list of Librarians of various departments as on 1-1-1971. Government drew up a gradation list and published the same as per G. O. (Rt.) No. 100/72/Edn. dated 17-1-1972. The gradation list was prepared on accepted principles, but the principles were not laid down in the G. O. 2nd cited. It has therefore become necessary now to lay down the principles adopted by Government in the preparation of the combined gradation list published in the G. O. 2nd cited. The principle followed in the preparation of the combined gradation list as on 1-1-1971 was also based on the date of regular appointment in a category or grade.

2. Government therefore now order that the principle for the preparation of a combined gradation list of Librarians will be the date of commencement of regular continuous service in the particular category or grade. This was also the criterion taken for deciding seniority when the gradation list of Librarians as on 1-1-1971 was drawn up and published as per the G. O. 2nd cited.

By order of the Governor,
V. BHASKARAN NAIR,
Additional Secretary.

S.R.O. No. 322/76.—In exercise of the powers conferred by section 31 read with section 112 of the Factories Act, 1948 (Central Act 63 of 1948), the Government of Kerala hereby make the following further amendments to the Kerala Factories Rules, 1957, the same having been previously published, as required by section 115 of the said Act.

Amendment

In the said Rules, in Rule 74:—

(1) for clause (b) of subrule (2) the following shall be substituted, namely:—

"(b) Vessels made of ferrous materials having an internal operating pressure not exceeding 1 kg/cm^2 (15 lbs/Sq. inch)",

(2) after clause (c) of subrule (7), the following clause shall be inserted, namely:—

"(d) The hydro static test pressure to be carried out for the purpose of this rule shall be 1.25 times the design pressure or 1.5 times the maximum permissible working pressure whichever is less".

By order of the Governor,
U. Mahabala Rao,
Secretary.

Explanatory Note

(This does not form part of the notification, but is intended to indicate the general purport).

The amendments above are based on the decision taken in the 23rd Conference of Chief Inspectors of Factories held at Madurai in September, 1974. Rule 74 of the Kerala Factories Rules, 1957 was amended as per

G. O. (Rt.) 844/74/LBR dated 28-8-1974. Subsequently, the Chief Inspector of Factories, Rajastan suggested the amendments now proposed and it was finally accepted by the 23rd conference.

According to the existing subrule 2 (b), sizing cylinders which work at a pressure lower than 1 kg./cm.^{2} would not be covered by the provisions of this rule. Considering the accidents due to bursting of sizing cylinders, it is not desirable to exempt them from the above rule. Also subrule 8 deals with determination of safe working pressure and testing of sizing cylinders and similar vessels with thin walls made of copper or non-ferrous materials. Amendment of subrule 2 (b) is to achieve this object.

The addition of subrule 7(d) is being made since the test pressure has not been specified in the existing rule, for inservice testing.
